

How to print from an iMac

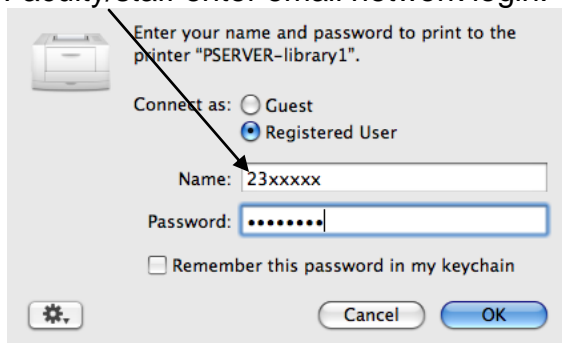

1. Print the document or web page from the application.
2. A Print dialog box will open.
Change the Printer to **PSERVER-library1**.

3. Click Print
4. When prompted to enter your Name and Password, **you need to enter your Defiance College network login ID in place of your name** which will appear in the Name: field.

5. Students enter student ID number.
Faculty/staff enter email network login.

6. Click OK to release the job for printing.
7. Please go to the Service Desk upstairs if you have a question or can't print.
